On page 11, Section 10 “BIDS AND RATES” I just want to be clear that I insert my rates correctly for your comparison.

Basic Service Each Cart means – once/week rate for curbside garbage service with contractor owned cart and City providing all invoicing services per month.

Optional Services

Billing per cart means – add on cost per cart to the basic service if contractor provides all invoice functions.

Bulk Items per cart means – add on cost per cart to the basic service if contractor provides collection of bulk items.

Yard Debris per cart means – add on cost per cart to the basic service if contractor provides weekly collection of yard waste.

Convenience Station per cart means – add on cost per cart to the basic service if contractor provides a convenience station.

Total per cart means - basic service plus all add on optional service per month

**Response: per cart per month, base charge and all optional services**

Last question – The RFP requires no binders, how do you prefer the RFP to be bound? Is a spiral notebook acceptable? What is your preference?

**Response: binder clips**
